

# UrbanFIT Maxi

## COLLECTION

### Maximising flooring technology.

UrbanFIT Maxi is the result of the newest development in luxury vinyl flooring – modular plank technology. It is the combination of the innovative specification and composition of UrbanFIT Maxi that makes it unique.

- Modern wide and long length plank format for a more spacious feel.
- The 5.0mm thick plank provides superior and supportive underfoot comfort and excellent acoustic properties.
- Fibreglass reinforcement for superior stability.
- Ease of Installation – UrbanFIT Maxi simply ‘drops’ into place requiring only minimal pressure sensitive adhesive.
- 0.5mm PU wear layer and Dura Coat surface treatment for optimum protection and minimal maintenance.
- UrbanFIT Maxi is suitable for domestic and most commercial applications.
- It contains recycled material, making it a good choice for the environment. It can be installed directly onto or over most existing hard floors provided they are prepared in accordance with Australian Standard AS1884:2012.
- Contains Nano-Silver anti-bacterial and anti-fungal technology.

## COLLECTION

With UrbanFIT Maxi technology, luxury vinyl flooring just got a whole lot simpler.

**More than just technology.**

The Flooring Xtra design team have researched the timber colours, patterns and grains that Australians love to see in their homes and especially on their floors.

UrbanFIT Maxi features an 8 palette range faithfully reproduced from the finest of local and international timbers.
