FASTFIT

FRESH, FAST AND FASHIONABLE

At Flooring Xtra we pride ourselves on providing the best flooring innovations for our customers. FastFIT is a range of modular planks specifically designed to enhance the busy family home.

As its name suggests, FastFIT is a modern, durable flooring product that ticks all the technical and time saving boxes you would expect from a new range. Not only is it simple to install and a breeze to maintain but it also represents excellent value.

FastFIT features:

- Stylish colours, patterns and grains faithfully reproduced from exotic local and international timbers.
- Convenient modular 'drop down' installation advantage*.
- 5.0mm plank thickness for superior underfoot comfort and enhanced acoustic properties.
- 0.3mm PU wear layer and Dura Coat surface protection for easy maintenance.
- A highly stable fibreglass core layer.

*After applying pressure sensitive adhesive to the subfloor.
