THE RESPECTED NAME IN FLOOR COVERINGS

Springbrook collection

The Springbrook range was developed by Andersens after months of painstaking market research. The result is an easy care product built to withstand the rigours of the harsh Australian environment. The range has a great mix of Scandinavian inspired contemporary colours & the always timeless Australian timber species.

This range offers a 15 year Residential warranty and is pre-sealed with a PUR surface coating which provides great protection against scuffs, scratches and indentation.
