Modular LVT Flooring

Cushionwood Modular LVT Flooring

Cushionwood Modular was launched over 3 years ago and has successfully been installed in thousands of Australian homes, much to the absolute delight of their owners.

Our design team is continuously improving our colour selections as the fashion trends evolve and Cushionwood Modular is no exception. From the cool modern tones of Riverstone oak and Alpine Beached Ash, to the warm hues of Mountain Ash and the new Vintage Oak. With 10 innovative colours and grains to choose from you are sure find the perfect selection for your dream home or office.

Comfort comes in many forms and fashions, the feel underfoot, the mood created by colour and grain, and the minimisations of noise levels. As its names suggests, Cushionwood Modular features extra thickness for less sound transfer, and a longer planks for a more elegant visual.

- Modular 'drop down' plank technology.*
- Extra thickness delivers superior comfort cushioning underfoot and effective sound minimisation.
- Fibreglass reinforcement for greater stability.
- A heavy wear layer providing excellent durability.
- PUR surface treatment for reduced maintenance.
- Long plank format for quick and easy installation.
- Contains no harmful fillers nor harmful plasticisers.
- Phthalate Free.
