# Modular Living *Trend*

Transform your home with affordability, style and quality in mind. Add warmth and sophistication with the look and feel of natural timber at a fraction of the cost. Modular Living Trend is made for your home!

This collection features a heavy-duty wear layer with PUR surface protection, ensuring peace of mind that your floor will look new for longer. This surface treatment provides easy maintenance, giving you more time for the things you enjoy most.

Our duo core technology grants superior noise absorption, minimising the background noise of busy households. Exceptional underfoot comfort creates a luxurious feeling at the tip of your toes.

*Linseed Oak*

*Chiffon Oak*

Rose Gum creates the perfect balance between traditional gum with rich honey tones and modern styling. We combined this Australian classic with the perfect bedroom colour palette for young minds. Mustard or rich yellow symbolising hope and happiness, and navy representing tradition and grounding.

Rose Gum

The fresh grey tones of Chi Oak feature a sophisticated grain complimented by classical cabinet lines in a fresh white colour palette. A splash of navy blue adds a serene and tranquil atmosphere, whilst brass trimmings and marble surfaces produce modern luxury vibes with a hint of vintage.

*Chi Oak*

Dark rustic Hazelwood Oak with coffee hues and distinctive knots, builds the base of this industrial minimalist interior. This hybrid decoration style combines the light, neutral colours of the minimalist theme with the dark charismatic hues of the industrial concept.

*Hazelwood*

Soft natural tones of Vanilla Oak with subtle grain patterns, build the perfect neutral backdrop for your individual style choice. Dark grey and graphite tones accentuate the vibrant shades of deep turquoise and glamorous gold, complimented by the subtle touch of velvet texture.

*Vanilla Oak*

Warm rich hues of authentic Darling Spotted Gum timber, compliment simple, clean lines and a neutral colour palette. Combined with calming texture play, this timber exudes pure, timeless elegance.

*Darling Spotted Gum*

Nude Oak features stunning natural tones and an understated grain flow. The monochromatic colour scheme of white cabinets, marble bench tops and dark furnishings provide dramatic contrasts grounded by the radiating warmth of the Oak planks.

*Nude Oak*
